3. Eligibility and Classes

The races are open to all competitors with boats meeting the requirements of the Southern California PHRF by-laws.

The fleets consist of:

Fleet A (PHRF < 149)

Fleet B (PHRF > 150) and Cruiser's Fleet

Cruisers – This fleet will consist of boats new to the racing fleet.

The rating system to be used for handicapping will be Southern California's PHRF. If you do not have a valid rating certificate from PHRF then see the Fleet Captain for a rating. Ratings will be taken from the Southern California PHRF handicaps. If Southern California PHRF does not have a rating for your boat, then an average of the available PHRF ratings from other regions will be used. Non-Spinnaker off-sets must be declared at registration. If a boat declares that they will be using their non-spinnaker off-set, this declaration will be in effect throughout the entire series/regatta.

Entry forms can be filled out online or on the dock at the competitor's meeting at Lake Mead Marina before Competitors meeting on the day of the race. Registration is closed after Competitors meeting on the day of the race. Competitors may race in individual races of the series if they wish.
