3. Eligibility and Classes

The races are open to all competitors with boats meeting the requirements of the Southern California PHRF by-laws.

The fleets consist of:

- Cup Fleet – Competitive fleet. Regatta/series points count towards the Commodore's Cup.
- Novice Fleet – Non-competitive fleet. Races are not scored.

The rating system to be used for handicapping will be Southern California's PHRF. If you do not have a valid rating certificate from PHRF then see the Fleet Captain for a rating. Ratings will be taken from the Southern California PHRF handicaps. If Southern California PHRF does not have a rating for your boat then an average of the available PHRF ratings from other regions will be used. Non-Spinnaker off-sets must be declared at registration. If a boat declares that they will be using their non-spinnaker off-set, this declaration will be in effect throughout the entire series/regatta.
