Jim:

- Membership Update – 66 Members with a total of 91 household members. All membership cards have been sent out except the members with no address and the seven new members from this month.

Lydia:

- Financial Update – NYC is in good financial health and financial statements are available to any member who would like one. Net of \$2800 from Sail Training. Website fees have gone up but what we get from the new website seems to more than compensate for the increased cost. We have signed up to keep the website for two more years.

Harlan:

- Happy Hour Hangout: - Last month was at the Starboard Tack. We had 16-17 people attend. April will be at Bahama Breeze
- New Member Welcome Cruise – 4/15. Notices will be sent soon. Will be at Kingman Wash so we can get there by both car and boat.
- Christmas Party – December 9th at Ventano's. More details to follow.
- Working on Sizzle Video. Needs more footage of boats

Clay:

- Darling Memorial Review – Was cut short due to too much wind.
- Silver Cup Review – Was a "Rock Star Event" on Saturday but nothing on Sunday. Stats have been posted.
- Spring Series Regatta #1 & #2 – 3/25 & 4/22
- Novice Fleet Racing – 3/26. Last time was a great success due to help from the racing captains. Thanks to racing captains for your continued support.
- Wet Wednesday/Novice Fleet Crew – Going to try to combine both. Communication for crew positions should go through the website. NYC will not ask captains to take people out.

Travis:

- Floor Discussion:
 - Will be trying to track down and contact owners of idle boats at Lake Mead to engage them in the club

- Dina will chair the Nancy Cox event this year.
Anticipates a chill, unintimidating day with no racing.
